(This schedule is used as a guideline, and is subject to change)

Care is customized as closely as possible to the individual child's routine at home. We will be in communication with parents in an effort to accommodate pre-established and changing schedules as each child develops. Our Infant/Toddler program will be staffed according to Interior Health Licensing Regulations (4:1 minimum child to caregiver ratio) with specialized Infant/Toddler Educators, and Early Childhood Educators and Assistants. Willowstone Academy also adheres to the revised B.C. Early Learning Framework that "carries the hope of inspiring and supporting the creation of rich, joyful early childhood spaces where children, adults, ideas, and materials come together, and where knowledge is constructed about learning and living in ways that are local inclusive, ethical and democratic."* Our infant/toddlers will explore and discover their world in a nurturing and secure learning environment through meaningful interactions and activities designed to engage their senses as they grow and develop.
